Total valuation of June permits was \$456,718, as compared with \$381,850 for May. For June, 1932, the increase was nearer 100 per cent, as the last year's figure was but \$249,800.

School Name May Not Be Changed

Name of Beverly Hills high school, changed to "Louis Agassiz high school" by the Los Angeles board of education two weeks ago, was changed back again late last week. It was one of the last official acts of the retiring members of the board, following a storm of protest that took the air from a Beverly Hills radio station.

Prospect that the name of the local high school would be changed seemed remote today, especially if this community puts up a fight such as Beverly Hills did.

Preliminary In Shooting Affray Set For Tomorrow

Victor Koleck, Harbor City man accused of the shooting of Joseph Wojcik, a sailor from the U. S. S. Virginia, on Saturday, June 24, was arraigned in the local justice court last week and will appear for his preliminary hearing tomorrow morning at 10 o'clock. Judge John Dennis will preside.

The shooting of Wojcik followed a brief dispute over a proposed trip to Santa Ana. The men were said to have been drinking. Robert T. John, a neighbor at whose home the shooting took place, was the only witness.

MARION DAVIES in a scene from "PEG O' MY HEART"

As a play, "Peg O' My Heart" is some 20 years old and yet on the talking screen it is brand new. The reason for this is in the apparent agelessness of the charming story.

In her deft hands, Peg seems to have a new personality and yet with it loses none of the crystal romance of the Irish gamine we knew so well on the stage. Miss Davies' performance is assuredly the best of many recent appearances. She has endowed her Peg with a finer understanding and sympathy that might be traceable to her own Irish ancestry.

New School Board Orders Dismissal of Business Mgr.

After having served 16 years as business manager of the Los Angeles public schools, W. E. Record of Beverly Hills today was no longer connected with the board of education. One of the first official acts of the new board, in which the newly-elected "Four Horsemen" predominate, was to order the dismissal of Record. In the next breath, they ordered the discharge of Record's chauffeur, Rex Panish. The two holdover members opposed the move.

George W. McDill, former judge, is the new president of the Los Angeles board of education, which has jurisdiction over the schools in this community. John Scoullee, oil man of 2813 East Gage avenue, Huntington Park, was appointed to succeed Record. He will receive \$5000 a year salary.

VISITS L. A. FRIENDS Mrs. May McKinley visited with friends in Los Angeles, July 4, and attended the fireworks display at the coliseum in the evening.

TROOP NO. 4

An early meeting was called by Scoutmaster Jones for patrol leaders and members of the staff.

Some changes were planned during the session, one of these being the appointment of Harry Bell as scribe of the troop. A new patrol leader for the Panthers is to be named next meeting.

Five rounds of boxing and hand-axe making contests were the main events after the regular troop business on Thursday evening.

Mrs. J. C. Leech, secretary of the Mother's Auxiliary, called a meeting for Monday, July 3, at the Scout hall, for the mothers. Gerald Grubb won inspection.

'College Humor,' Paramount's bolterous words-and-music version of college life as it ought to be, opens a three-day showing next Tuesday at the Torrance Theatre.

'College Humor' boasts an all-star cast, a fast moving story, a topnotch chorus, and music that already has proved successful on the radio and dance program.

In its cast are Bing Crosby, Richard Arlen, Mary Carlisle, Jack Oakie, George Burns and Gracie Allen, Lona Andre and Mary Kornman. The Ox-Road Co-Eds, a chorus of stunning youngsters, provide the dancing. Its music—'Learn to Croon,' 'Moonstruck,' and 'The Old Ox Road,' its three hit tunes—was written by Sam Coslow and Arthur Johnston.

'College Humor' is the story of a campus at which reputations made on the gridiron are lost in the boudoir; where co-eds learn the facts of life more readily than mathematics or science.

Bing Crosby is cast as a young instructor. Arlen and Oakie are football heroes, each in his own fashion. George Burns and Gracie Allen are college-widow and college-widower. In their own particular styles, Mary Carlisle, Lona Andre and Mary Kornman, among the co-eds who make life difficult for the boys.

Music and comedy are distributed lavishly throughout the story, and the Ox-Road Co-Eds dance in and out of the action. Every resource of the Paramount studio—musical and writing and acting and directing talent; money and effort—went into the picture to make it the outstanding musical comedy success of the season.

New Valuations On Property In Earthquake Zone

New valuations on earthquake-damaged improvements will be available sometime this week at the county assessor's office in the Hall of Justice and at the board of supervisors quarters in the Hall of Records, it was announced today. This information has been anxiously awaited.

The revaluation was totaled by the assessor by school districts. A preliminary revaluation was made several weeks ago, but the net reduction was expected to be increased when the new valuations were announced this week, according to J. W. Hartman, chief deputy assessor.

The second revaluation was made in response to requests of property owners in the earthquake zone, who pointed out to the assessor that careful examination had not been made. Buildings that appear all right on the outside are often badly damaged inside, it was found in further investigation.

As a result the net reductions were expected to be increased between 50 and 60 per cent below the preliminary figures.

MR. AND MRS. STUETZ ARE PARENTS OF SON Mr. and Mrs. Herbert Stuetz of Los Angeles welcomed a son last week, Richard Edward, born on Wednesday, June 28, at the Queen of the Angels hospital.
